

LAUNCH YOUR CAREER IN CONSTRUCTION

Towards Employment and community partners are recruiting for our pre-apprenticeship construction course

What is it?

- Career readiness training at Towards Employment on Wednesday May 9th through Friday May 11th
- Construction math, OSHA training, and construction specific skills training at Tri-C Monday May 14th through Friday June 22nd, 7:00AM to 3:45PM

Successful graduates:

- Get your OSHA 10 certification
- Earn college credit for time in class
- Visit union halls
- Get Tri-C student ID
- Prepare for the interviews and ensure success on the job with skill development classes

I'm interested! What's next?

- Call **216-696-5750** to register for an information session. Mention our Construction program
- Meet with a Towards Employment case manager for an assessment
- Schedule job readiness training at Toward Employment on May 9th
- Attend construction training at Tri-C beginning May 14th

Criteria:

- Must complete job readiness training at Towards Employment
- High school diploma/GED, drivers license preferred
- Commit to attend a six week total pre-apprenticeship course
- Pass a drug screen
- Open to those who are unemployed, underemployed, or looking for a career change
